JASPERS ORGANIC DAY SPA

Our Philosophy

We believe in bliss, utter joy and contentment. We believe in using nature's beauty to nurture your mind, body and spirit.

We have chosen to partner with the Australian made **Essence by Tamsin** products to bring you an exclusive range of spa therapies to enhance your treatment and experience at **Jaspers Organic Day Spa**.

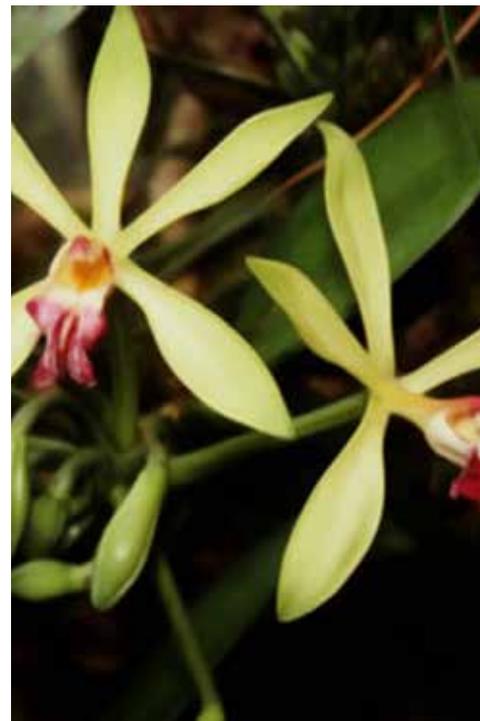

Essence Spa Products are developed and produced on the pristine South Coast of NSW. Drawing on natural resources from the earth and sea, Essence Products soothe and nourish the skin and body and infuse a deep sense of wellbeing to spirit and mind. The Essence Body & Spa range is designed to ease stress and tension, providing balance and harmony through the power of essential oils.

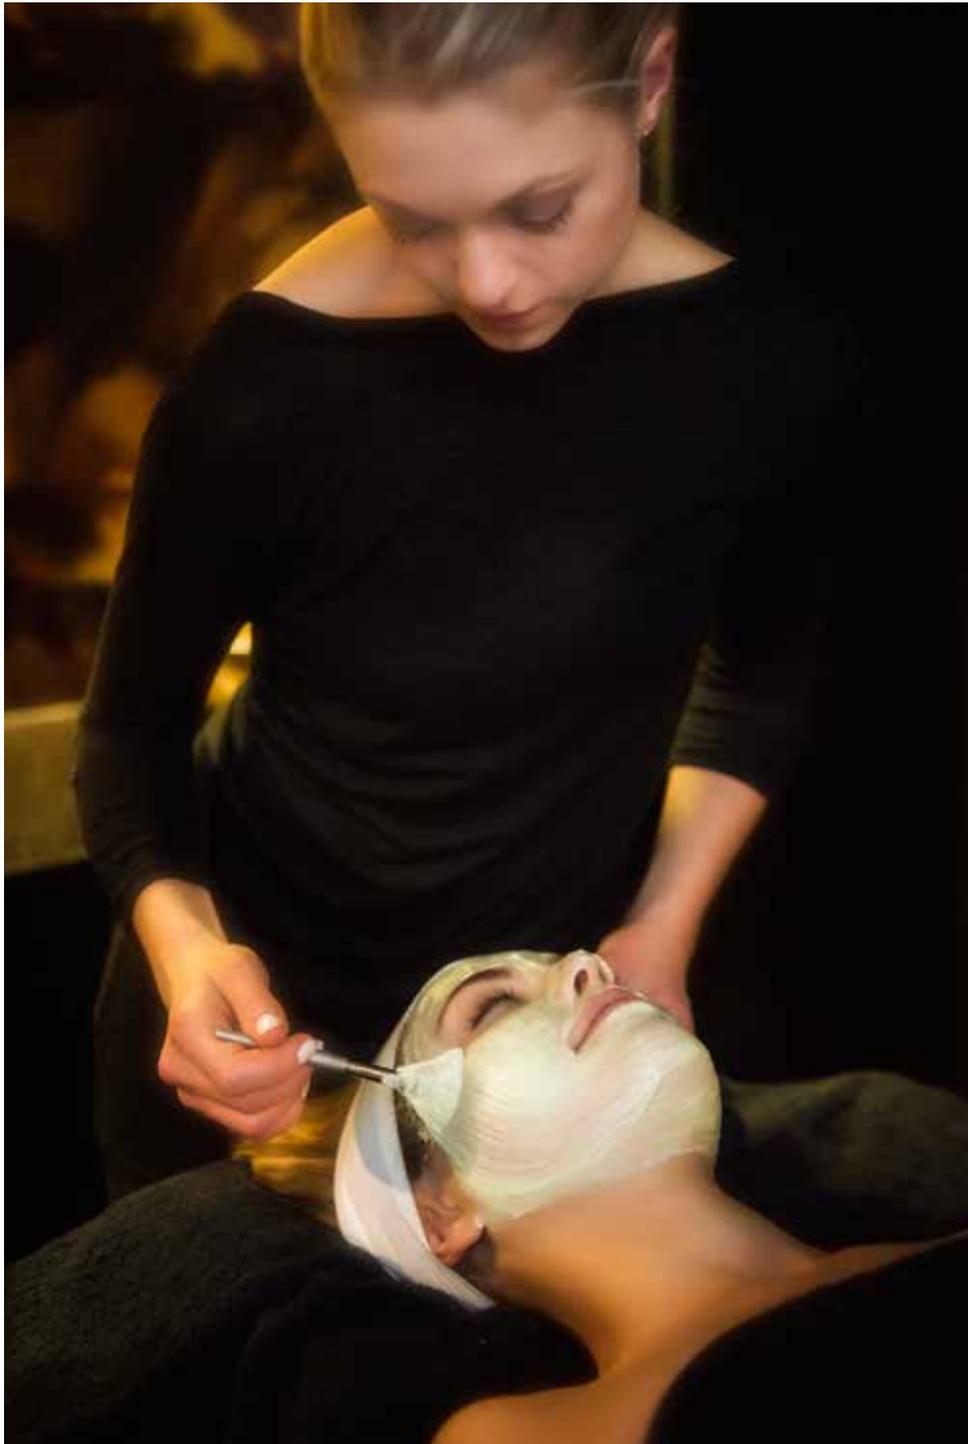

Our Spa therapies use Essence Products such as the luxurious Body Butter scented with Madagascan Vanilla that melts into the skin and Australian Pink Clay to cocoon and rehydrate the skin. For Massages, we use the Aromatherapeutic blend of essential oils to soothe and nourish and Avocado Oil, Marine Collagen and Rose Hip Oil to detoxify and rehydrate the skin.

Choose from facial, body and massage therapies or indulge in a tailored Day Spa Package to suit your individual needs.

Unwind in our sumptuous and serene private suite of rooms.

The **Jaspers Organic Day Spa** provides a haven...escape, embrace, experience.
